

# Partners in Survival™ WORKSHOP

A free program  
for men\* in the  
lives of women with  
 breast cancer.

*Recent research indicates that women with breast cancer benefit medically and emotionally from having strong social support. This exciting workshop will focus on the needs of men who support these women. This workshop is ideal for breast cancer patients and her male supporter--husband, adult son, or friend.\**

Join event co-chairs Bob Moeder, President of Kroger Central Indiana and Bryan Mills, President and CEO of Community Health Network on

**Saturday April 14, 2012**  
**9am to 12pm - Breakfast Provided**

Community Hospital  
North Campus  
7250 Clearvista Drive  
Indianapolis, IN 46256

## For Women Only Session!

### **Program opening**

Join your male support partner for breakfast and the opening of the program.

### **Gardening for your Health**

Sit back, relax and enjoy as Louise James takes you on a photo tour of Cedarthorn Gardens and shares the health benefits of connecting with nature and gardening.

## For Men Only Session!

### **Partners workshop**

Speaker: Marc Heyison  
President/Founder, Men Against Breast Cancer

Partners workshop will introduce proven problem solving techniques that focus on the needs of the breast cancer patient and the family. Marc creates a unique, male-friendly learning environment and provides a practical and easy-to-understand method that has been shown to increase quality of life and to decrease distress in patients and their families.

Information about Community Health Network's Men's Caregiver Support Group will be available.
