New Partnership with Walgreens in 2017:

Community Health Network has partnered with Walgreens to provide more convenient pharmacy services for employees and patients.

There are now three Walgreens stores located on the campuses of Community Hospitals East, North, and South. These Stores make it easy for patients to fill their prescriptions as they leave provider appointments at adjacent medical offices, or as they are discharged from the hospital. Walgreens also plans to expand the bedside delivery program at Community hospitals to help patients successfully transition back to their homes.

Walgreens is now the preferred pharmacy provider for those on Community Health Network medical insurance plans (Gold & Silver plans). Members receive the lowest copays when they fill their prescriptions at Walgreens, and have access to 8,200+ Walgreens locations across the country, with many of them open 24/7. Walgreens is the preferred specialty pharmacy as well.

10% Discount if paid in-full by the first class!!!

Community Health Network Employees qualify for a special discount

Looking for an opportunity to reach a higher level of skill and recognition in the field of medical coding? We invite you to attend our comprehensive 24-week certification prep course.

The Professional Medical Coding Curriculum (PMCC) is geared toward learning the proficiency required to correctly code CPT®, HCPCS and ICD-10-CM for medical procedures performed by the physician. After passing the AAPC certification exam, students with at least 2-years previous work experience in the field will be recognized as a Certified Professional Coder (CPC). Those who have not yet gained this experience will be recognized as a Certified Professional Coder Apprentice (CPC-A). Upon completion of the 80+ hour PMCC course and one year experience has been obtained, the apprentice status will be removed by the AAPC.

This course is not an introductory class and is designed for those who have experience with medical billing, coding, physician office and/or have experience in a field using medical terminology, anatomy and physiology. Study time both inside and outside of class is required.

The $3,100.00 course fee includes:

- 24-Week Classroom Instruction by an AAPC Certified Coding Instructor
- Professional Medical Coding Curriculum (PMCC) Medical Coding Training Manual and Practical Application Lab Book
- AAPC Student Membership
- AAPC CPC Exam Fee
- 2017 CPT Professional Edition
- 2017 HCPCS Level II Expert

How do I register?

- Three easy ways to register. Email, US Mail or Phone. See “PMCC 2017-Registration Form” for details. Upon receipt of the registration and $750 deposit, you will receive confirmation with further information.
- No registration will be confirmed without the deposit of $750.

How do I pay for the course?

- The $750 registration deposit applies to the course fees.
- We accept cash, checks, VISA, MasterCard, and Discover.
- You may pay in-full, at any time, or we offer monthly and bi-weekly payment plans that are designed to pay-off before the end of the course. If interested, please ask for payment plan details.

SPECIAL INCENTIVE – PAY THE ENTIRE COURSE FEES BY THE FIRST CLASS AND RECEIVE A 10% DISCOUNT!!
