

Community Fairbanks Recovery Center's Circle of Hope is the organization's largest fundraising event of the year. The annual event raises funds to support patient programs at Community Fairbanks Recovery Center, helping more men and women who are uninsured or underinsured find a path to recovery. The event features faces and voices of those in recovery and aims to raise awareness of substance use disorder and ways to seek help. During the luncheon, a keynote speaker will deliver a personal story of inspiration and hope.
